Nottingham Children's Hospital

BABY MRI APPEAL

SUPPORTING NOTTINGHAM'S TINIEST BABIES

We need your help to raise £100,000 for a special MRI incubator to benefit sick and neonatal babies.

Nottingham Hospitals Charity
Supporting Nottingham University Hospitals NHS Trust

OUR SICK AND NEONATAL BABIES NEED YOUR HELP

Each year, our Neonatal Units at Nottingham City Hospital and the Queen's Medical Centre treat around 1,500 sick newborn and premature babies. Many of these will need MRI scans to aid their diagnosis and treatment, and give them the best start in life. With donors' help we provide support and equipment for the teams' vital work.

The Baby MRI Appeal is part of our Big Appeal, to support babies, children and families being treated by our Neonatal Service and at Nottingham Children's Hospital.

As part of the vital next stage we want to raise £100,000 for a special incubator to help make these MRI scans easier and safer for our tiniest patients.

This new 'Baby MRI' incubator is an all-in-one scanning environment for a baby, keeping them comfortable, protecting them from noise and reducing the need for sedation.

Please support our **Baby MRI Appeal** today!

Dr Don Sharkey, Neonatal Consultant, says:

“ As a regional specialist neonatal centre we regularly treat babies requiring brain surgery or those who have spinal or congenital issues. This new state-of-the-art MRI incubator, which we have named our 'Baby MRI', will allow my team to get the best results when scanning and treating babies. ”

PLEASE HELP TODAY

You can help us raise £100,000 for our Baby MRI Appeal by donating today! Here's how you can help...

- 1 Donate online at www.nottinghamhospitalscharity.org.uk
- 2 Hold a **fundraising event** like a cake sale or quiz night
- 3 Take part in a walk, run, swim, cycle or any fun **fundraising activity**
- 4 Get your workplace involved in **raising money**
- 5 Find out more or get involved in fundraising by calling us on **0115 962 7905** or emailing charity@nuh.nhs.uk
